- Critical Thinking
- Hardworking

PROFILE INFO

I am a Computer Science student with specialization in Data Science. While I'm at the beginning of my journey, I'm passionate about understanding how systems work and solving problems through logical thinking and creativity. Eager to develop hands-on experience, build my technical skills, and apply what I have learned in real-world scenarios. My short term goal is to grow into a versatile and effective contributor in the tech industry through continuous learning and meaningful opportunities.

CO-CURRICULAR ACTIVITIES

- **SPORTS:**

Dr. B.C. Roy Engineering College, Durgapur, West Bengal
Participant, Annual College Sports Day

February 2024

- Took part in events like the 100m race, 200m race, Passing the ball and Basketball.

Participant, Indoor Games
